

Committee Present:

Bre-Anne Sainsbury
Des Vlietstra
Robyn Teet

Members called in:

+61 3 52278555 (Australia)	English (Australia)
+61 3 92445555 (Australia)	English (Australia)
+61 3 55633555 (Australia)	English (Australia)

Conference ID: 339549

meeting commenced 9:01 pm

1. Existing committee was presented and confirmed that included:

President	Bre-Anne Sainsbury
Treasurer	Robyn Teet
Secretary	Bridget Sladden
General Council	Tony Meyers Jesse Franks Des Vlietstra Diane Mathers Morteza Ghamgosar

President called for new committee members, if anyone is interested please email the committee with a bio and vision on how you can contribute.

2. Member Survey Results were summarised:
 - Most members long term
 - turn up to most events regardless of topic
 - happy with events previously attended
 - like the casual format
 - most useful for networking
 - want 1-2 two-day events per year
 - locations in both capital cities and regional centres
 - encourage the new generation of geotech engineers to present
 - more time spent on discussion instead of presentations all day (edited)
3. Financials 2018/19 Presented
 - 1 event held
 - \$44,839.93 profit, \$22,455.22 costs (edited)

EAGCG

EASTERN AUSTRALIA
GROUND CONTROL GROUP

- Details to be provided on website

4. Challenges for the EAGCG were presented and discussed as follows:
 - time and cost commitments for committee
 - locking in speakers who turn up
 - competing with other "conference" type events

5. Next meeting tentatively proposed
 - Adelaide March 2020
 - Analytical and Empirical Design Techniques in Geotechnical Engineering (edited)

6. Meeting opened for questions or comments:
 - estimated members approx. 350 based on mailing list minus bounce back emails

meeting close 9.15pm
